

K-Love serves as a tremendous benefit to all who listen to this radio station. the local community in each area that K-Love is broadcasted is affected positively through all those that are blessed daily by this station. the service provided by K-love is in the public's best interest because all those that listen to this station are blessed and everyone's day is made better after listening to the information/music provided by this station. I enjoy supporting "my" radio station as it is listener supported. we support it because we want to be able to listen to it in our area. please don't replace K-Love with a LPFM broadcaster. thank you.
